

# The ARGO™ Efficiency Program

*The Ultimate Dispenser & Label Refill System*

FSI Label Company offers the highest quality tapes and labels at competitive prices. We can match your existing tapes and labels - call to speak with a Customer Service Representative about your requirements today.

# ARGO™ Tape Dispenser Instructions

## Features

### Easy Loading

Rolls can be added or removed without disturbing other rolls since there is no middle rod. Labels rest in a cradle instead.

### Adjustable Dividers

Provide unlimited label compartments of various sizes. Dividers easily swing out of the way and slide left to right to accommodate new rolls without disturbing other rolls. *Prevents labels from crossing and sticking together.*

### Simple Operation

Provides quick, easy tape dispensing. Designed for stability while pulling and tearing labels from dispenser.

# Label Tape Installation

## Step 1:

Simply slide tape roll onto the spool on the divider and lower the divider.

## Step 2:

Pull tape toward beveled edge.

## Step 3:

Place tape label on beveled edge. When tape adheres to beveled surface, tear from one edge to opposite edge. Note: Repeat as necessary.
